PRODUCT DESCRIPTION

UNIGLOVES UNIBRUSH DISPOSABLE TOOTHBRUSHES

Toothbrushes are part of the daily use of life and help prophylactically with dental health. The Unigloves disposable toothbrushes are available in many colours and therefore ideally support the respective colour concept. The toothbrushes are hygienically packed individually in a bag and 100 pieces in a box. In addition, the toothbrushes are impregnated with toothpaste so that the user can start right away.
