PRODUCT DESCRIPTION

NITREX 221RF

Engineered for professionals who demand ultimate protection without compromising on comfort, these cut-resistant gloves redefine durability and flexibility. Designed with cutting-edge materials, they deliver maximum performance in high-risk environments.

Features:

- 21-Gauge Seamless cut resistant Liner: Crafted with advanced materials, these gloves offer unparalleled dexterity and cut resistance while maintaining a lightweight feel
- Unigloves NitreGuard Technology: Our technology, recognised for high-performance in straight blade cut tests, ensures fantastic protection in hazardous environments
- Cut Resistance Level F: Protects against the highest EN ISO cut level ($\geq 30N$), making these gloves ideal for areas with high level of cut hazards
- Foam Nitrile Palm Coating: Resistant to oils and grease, this flexible coating wicks moisture from the palm while providing excellent grip and breathability, even during extended use
- Reinforced Nitrile Thumb Crotch: Additional durability in high-wear areas for handling abrasive materials, extending the life of the glove
- Excellent Abrasion: Designed to withstand tough tasks, these gloves maintain integrity through repeated use

Benefits:

- High Levels of Tactility and Dexterity: The ultra-thin, flexible 21-gauge design ensures superior softness and

- precision, making it easy to handle small tools and intricate tasks
- **Reduced Hand Fatigue:** Superior comfort and flexibility allow for extended wear, keeping hands comfortable during demanding tasks
 - **Versatile and Breathable:** With breathable materials on the back of the hand and moisture-wicking properties, these gloves ensure a dry, comfortable fit even in challenging conditions
 - **Environmentally Conscious:** Packaged in plastic-free inner packaging, these gloves reflect Unigloves' commitment to sustainability

Sectors:

- Assembly
- Automotive
- Metal Fabrication
- Railway Maintenance
- Glass handling
- Waste and Recycling

The Nitrex 221RF is available in blue/black in sizes S, M, L, XL and XXL.
