PRODUCT DESCRIPTION

NITREX 241OR

Nitrex 241OR **cut level B gloves** feature a comfortable, **seamless 15 gauge nylon liner with HPPE** and **encapsulated glass fibre** for enhanced fit, feel, outstanding dexterity and flexibility. Their excellent abrasion and tear resistance also **increases the glove's life**, making them a **high-quality** and **value-for-money** safety glove solution for your workplace.

Ideal for dry environments, the Nitrex 241OR Cut Resistant Gloves provide enhanced dexterity for precision tasks. The liner and palm coating offer breathability to the hand to ensure ongoing comfort, secure grip, and reduced irritation from sweat inside the glove.

Additionally, our Nitrex 241OR gloves feature Unigloves **Sanitized® Hygiene and Odour Control Function**. This revolutionary treatment helps neutralise odours and reduce microbial growth for more comfortable and healthy hands, free from offending smells that can occur after long hours of hard work.

The Nitrex 241OR is available in orange/black in sizes S, M, L, XL and XXL.
