PRODUCT DESCRIPTION

NITREX 247S - Protective Arm Sleeve

Nitrex 247S Protective Arm Sleeve is **an important addition to your PPE** (Personal Protective Equipment), **offering lower and upper arm protection**. Featuring our **Unigloves NitreGuard Technology®**, these arm protectors will keep wrists and lower and upper arms **safe from cutting hazards** and help wearers maintain the flexibility and dexterity required to perform their everyday tasks. Designed to be worn alongside your preferred Nitrex safety glove, our Nitrex 247S is the ultimate safety companion.

The Nitrex 247S is available in **grey** and in size **18** (45cm).
