XL	250-10
XXL	250-11

PRODUCT DESCRIPTION

Nitrex 250 - the pragmatic one

With its flexible, tight fit, the Nitrex 250 is mainly used for detailed work. In production, construction and the automobile industry, it sets itself apart from the crowd with its **high degree of dexterity** and its **wearing comfort**. The Nitrex 250 is also suitable for processing foods, with the exception of those containing acids. The gloves, which are manufactured from seamless **13-gauge** polyester woven fabric according to standard **EN 388**, are abrasion-resistant and resistant to oil and moisture. The **nitrile palm coating** ensures an excellent dry grip.

In addition, the Nitrex 250 is **OEKO-TEX® STANDARD 100** certified to ensure that our gloves are **free from harmful substances** and **protect the health** of your employees.

The Nitrex 250 is available in **grey with a black lining** in **sizes XS, S, M, L, XL and XXL**.
