PRODUCT DESCRIPTION

Nitrex 250FC - the precise one

With its flexible fit, the Nitrex 250FC offers particular comfort for precision work. In production, construction and the automobile industry, it sets itself apart from the crowd with its **excellent dry grip**. The Nitrex 250FC is also suitable for processing foods, with the exception of those containing acids. The durable full nitrile coating offers the best oil, grease and water-resistant properties. Tested according to **EN 388**, the gloves have certified good wear resistance, which results in a longer service life as well as better protection.

The Nitrex 250FC made of seamless fine woven **13-gauge polyester** is available in **grey with a black lining** in sizes **XS, S, M, L, XL and XXL**.
