PRODUCT DESCRIPTION

Nitrex 270NF - the one that keeps things out

The food-safe Nitrex 270NF made of seamless **15-gauge** fine woven fabric with **NitreGrip® technology** has reliable grip on dry and wet items. Among other things, the gloves are used in food processing, construction and manufacturing. The palm coating made of nitrile foam permanently keeps oil and grease at bay and achieves optimal abrasion protection according to **EN 388**. The light mix of polyamide and elastane is pleasant to wear on the skin and offers a **high degree of comfort and movement**.

The Nitrex 270NF is available in **blue with a black palm coating** in sizes **XS, S, M, L, XL and XXL**.
