PRODUCT DESCRIPTION

NITREX 270NFG

Our Nitrex 270NFG foam nitrile flex grip work gloves are an all-purpose, **general handling glove** suitable for use in many an everyday workplace application. Tested to EN388 4.1.2.1.X standard for abrasions, cuts, tears, and punctures, these gloves are a fantastic solution for applications which may involve contact with abrasive materials, repetitive tasks which can cause scrapes, scratches, or grazes, as well as being **highly protective against tears**.

In addition, the Nitrex 245N is **OEKO-TEX® STANDARD 100** certified to ensure that our gloves are **free from harmful substances** and **protect the health** of your employees.

These versatile black gloves have a **foam coating overlaid with nitrile grip dots on a breathable, light weight 15 gauge liner**. The foam nitrile coating helps to wick away moisture from the palms and fingertips, allowing for superior grip in wet and oily conditions. The nitrile grip dots, which coat the outer of the glove work to further enhance grip; allowing Nitrex 270NFG flex grip work glove to keep hands and materials safe in some of the most challenging working conditions.

The Nitrex 270NFG is available in grey/black in sizes XS, S, M, L, XL and XXL.
