PRODUCT DESCRIPTION

NITREX 275D

Our Nitrex 275D is an excellent general handling solution for **both performance and protection**. The light weight **seamless Nylon/Spandex® liner** means ongoing **comfort**, which helps to reduce fatigue and maintain performance even during prolonged use. Nylon and Spandex each offer **comfort in use**, which is enhanced by the specially developed foam latex coating. This **light weight and durable palm coating** provides not only abrasion and tear protection but also **superb dry and damp grip** – making it the perfect solution for a huge variety of handling duties. Moulding to the hand to give the wearer outstanding fit and feel, these foam latex palm coated gloves are some of the most comfortable work gloves you'll find.

In addition, the Nitrex 275D is **OEKO-TEX® STANDARD 100** certified to ensure that our gloves are **free from harmful substances** and **protect the health** of your employees.

The Nitrex 275D is available in **red/black** in sizes **S, M, L** and **XL**.
