PRODUCT DESCRIPTION

NITREX 285RP

15 gauge sustainable seamless liner

Nitrex 285RP includes a seamless **15 gauge liner** that delivers **excellent dexterity and flexibility**, effectively reducing hand fatigue during prolonged use. To further protect workers' hands throughout the workday, the **touchscreen compatible** feature of these gloves enables workers to efficiently operate touchscreen devices for tasks like inventory management and order processing without removing their gloves. This feature ensures your workplace maintains **productivity** without sacrificing hand safety.

But Nitrex 285RP gloves don't just protect hands, they also protect **the planet**. Featuring a sustainable **54% recycled polyester yarn liner**, Nitrex 285RP gloves help **reduce our carbon footprint by 15.4 grams per pair.** We are dedicated to achieving our sustainability goals and assisting you in achieving yours, which is why we have partnered with **Ecologi**. By choosing Nitrex 285RP gloves, you can have peace of mind knowing that you're not only safeguarding your workers' hands but also contributing to a more sustainable future.

Nitrex 285RP gloves are independently certified by **OEKO-TEX® STANDARD 100** ensuring they're free from harmful substances. With **RCS (Recycled Claim Standard) certification**, you can rely on our dedication to producing products containing **recycled materials** without compromising comfort, performance, or safety.

Touch screen compatible without having to remove the gloves and put hands at risk of injury. Available in sizes XS, S, M, L, XL and XXL.
