PRODUCT DESCRIPTION

NITREX 275RP

13 gauge sustainable seamless cut level F liner

Unigloves' Nitrex 275RP are the **ultimate cut resistant work gloves**, carefully constructed to stand up against even the most challenging conditions. These green grip gloves features NitreGuard technology and have been **certified with level F cut resistance** for superior strength against sharp and abrasive materials. Also featuring **NitreGrip Technology**, a new, advanced surface treatment that provides an assured grip when working in dry, wet or oily conditions, these gloves are the ultimate solution for **cut resistance, grip, and performance**.

Nitrex 275RP features a seamless **13 gauge** liner that offers excellent dexterity and **flexibility, effectively reducing hand fatigue during extended use**. To further protect workers' hands throughout the working day, **the touch screen compatible** feature of these gloves allows workers to seamlessly operate touch screen devices for applications such as inventory management and order processing, without removing their gloves. This feature ensures your workplace maintains productivity while always without compromising on hand safety.

But Nitrex 275RP gloves don't just safeguard the hands, they also **protect the planet**. Featuring a sustainable **18% recycled polyester yarn** and **cut resistant liner**, Nitrex 275RP gloves contribute to reducing **our carbon footprint by 12.5 grams** for every pair. We're committed to achieving our sustainability initiatives and helping you achieve yours, which is why we've partnered with **Ecologi** and are supporting **Plastic Bank**. By choosing Nitrex 275RP cut level F gloves, you can have peace of mind knowing that you're not only protecting your workers' hands but also contributing to a **more sustainable future**.

Nitrex 275RP gloves are independently certified by **OEKO-TEX® STANDARD 100**, ensuring they're free from harmful substances. And with **RCS (Recycled Claim Standard) certification**, you can trust our commitment to manufacturing **products containing recycled materials**, while never compromising on comfort, protection, or performance.

Touch screen compatible without having to remove the gloves and put hands at risk of injury. Available in sizes XS, S, M, L, XL and XXL.
