XL	360FC-10
XXL	360FC-11

## PRODUCT DESCRIPTION

### Nitrex 360FC - the multi-layered one

Unigloves **Nitrex 360FC** firm grip nitrile coated gloves are ideally suited to applications requiring high levels of **protection against abrasions**, even in wet or oily conditions. With a **dual coating** the full nitrile coating provides protection against the ingress of liquids to keep hands dry and irritation-free, while the second sandy nitrile coating of the palm offers excellent protection against abrasion, maintained grip in wet, oily, or dry conditions, and incredible durability and longevity of the gloves themselves.

Meanwhile, the ergonomic design of these seamless, lightweight gloves offers the **ultimate in comfort and dexterity**, allowing for a very tactile feel during use. Thanks to their ergonomic design, the 360FC General Handling Gloves keep their shape even after long hours of use. This means not only are hands protected against a variety of workplace hazards, but they're kept comfortable, dextrous and dry, all without compromising on performance.

In addition, the Nitrex 360FC is **OEKO-TEX® STANDARD 100** certified to ensure that our gloves are free from harmful substances and protect the health of your employees.

The Nitrex 360FC is available in **black with a red palm** in **sizes S, M, L, XL and XXL**.
