SIZE	REF
XS	680-06
S	680-07
M	680-08
L	680-09
XL	680-10

## PRODUCT DESCRIPTION

### Nitrex 680

The chlorination treatment these heavy duty chemical gloves undergo in manufacturing helps to harden the surface, leaving it smooth to the touch. The non-slip diamond pattern of the palm and fingertips means excellent grip in both dry and wet conditions. Ergonomically designed our Nitrex 680 black flocked lined rubber gloves are incredibly comfortable, helping to reduce fatigue even after extended use.

These versatile rubber gloves are not only perfect for chemical applications but are also food certified, making them safe for use in food handling and processing applications. Ideal for all your cleaning tasks – be they domestic or industrial – involving contact with chemicals, or food handling applications.

The Nitrex 680 is available in **grey** in **sizes XS, S, M, L and XL**.
