PRODUCT DESCRIPTION

UNIGLOVES NON-WOVEN CLOTH BUCKET DISPENSER

Unigloves non-woven wipes dispenser buckets are a convenient solution for storing soaked and unsoaked non-woven wipes. These buckets provide a convenient and hygienic way to remove and use wipes without getting contaminated by dust or dirt particles. They can be used for a variety of cleaning jobs, including food service, healthcare, retail and industrial.

The buckets are made of durable plastic and feature a lid that protects the wipes from drying out.

In summary, non-woven wipe dispenser buckets are an extremely useful solution for storing non-woven wipes that are suitable for a variety of applications. They are hygienic, easy to use, and can help get cleaning jobs done faster and more effectively.
