## PRODUCT DESCRIPTION

### Unigloves SELECT® BLACK

#### The creative glove

The Select Black Premium latex glove is a **food-safe** hygienic and protective glove made from high-quality natural latex. This **flexible** disposable glove is primarily used in the gastronomy and cleaning sectors as well as in tattoo studios. The Select Black has been tested in line with **PPE Regulation (EU) 2016/425** and European standards **EN 374, EN 420 and EN 455**. The waterproof glove material is extremely resistant and protects against viruses, fungi and bacteria. The Select Black is also characterised by its **excellent stretchiness** and **comfort**. With a protein content of less than 50 µg/dm<sup>2</sup>, the Select Black is also particularly skin-friendly. The **micro-roughened** fingers and palm ensure safety and an excellent grip on various surfaces and instruments. The Select Black is chlorinated with a rolled cuff for easy wear and removal. It is easy to change thanks to its flexible fit and ambidextr.

The glove is available in black and in sizes S, M, L and XL
