PRODUCT DESCRIPTION

Unigloves SOFT® NITRIL BLUE PREMIUM

The food-safe hygienic and protective Soft Nitril Premium glove is used in gastronomy and industry as well as in hospitals and medical practices. The versatile, disposable glove has been tested in line with PPE Regulation (EU) 2016/425 and European standards EN 374, EN 420 and EN 455. The waterproof material is extremely durable and protects against viruses, fungi and bacteria. The latex-free, thiuram-free and protein-free glove is also particularly skin-friendly. The flexible fit also ensures ultimate comfort. Thanks to its micro-roughened surface, the Soft Nitril White Premium always guarantees excellent grip. The sturdy sleeves make putting the glove on and removing it quick and easy. The ambidextrous design also makes it convenient to use.

The glove is available in blue and in sizes S and XL.
