PRODUCT DESCRIPTION

Unigloves FANCY® ROSE

Fancy ['fæn(t)si] is not only an expression for something unusual, but also for our FANCY glove. This eye-catching disposable glove causes a stir in the gastronomy, lifestyle segment as well as in the medical sector. Its shiny appearance will be a highlight for your hands. Of course, the glove complies with the PPE Regulation (EU) 2016/425 and the European standards EN 374, EN 420 and EN 455. The roughened fingertips ensure optimal grip during use and ambidextrous use is given by the universal fit. The waterproof material not only protects against moisture, but also against viruses, fungi and bacteria. In addition, the FANCY glove is suitable for use with food.

The Fancy series is available in gold "FANCY GOLD", silver "FANCY SILVER", in sizes XS to XL, purple "FANCY VIOLET" and rose "FANCY ROSE" in sizes XS to L.
