PRODUCT DESCRIPTION

Unigloves STANDARD PLUS

The Standard Plus glove from Unigloves is the perfect choice for all customers looking for a lightweight, affordable, yet high quality latex glove. In addition, the glove is also ideal for use in the food industry where an affordable latex glove is needed. It provides reliable protection against chemicals and other hazards that may be encountered in various work environments. Whether in the medical, food service or other fields,

The Standard Plus disposable glove from Unigloves offers a cost-effective and reliable solution to the appropriate

protective glove needs while providing a high level of comfort.
