XL	GS0035

PRODUCT DESCRIPTION

Unigloves UNICARE Nitrile

These latex-free **UNICARE nitrile** gloves are ideal for individuals **with latex allergies** and are powder-free to prevent hands from drying out. They are also phthalate-free and designed for a **variety of applications**, including food preparation, cleaning, decorating, DIY projects, and car maintenance.

Made from **high-quality nitrile**, these medical-grade disposable gloves offer excellent puncture **and chemical resistance** while conforming to the hand for a more comfortable fit. The beaded cuff adds **extra strength** and helps prevent liquid rollback, while the lightweight construction ensures **high tactile sensitivity and dexterity**.

Textured fingertips provide **enhanced grip**, especially in wet or oily conditions, and the **touchscreen compatibility** allows users to operate mobile and tablet displays without removing the gloves.

These powder-free nitrile examination gloves are food-safe, chemical-resistant according to PPE Regulation (EU) 2016/425, latex-free, phthalate-free, and meet the AQL 1.5 standard. The gloves are available in blue and in sizes

XS, S, M, L, and XL.

## Unicare glove range

Our **UNICARE disposable glove** range has been developed to provide exceptional levels of **comfort** and includes gloves manufactured in **nitrile, vinyl, vinyl/nitrile hybrid blend, latex** and **polyethylene**. UNICARE gloves consist of both non-medical and medical grade options which are particularly suited to use in healthcare examination, dental and veterinary care.
